

Tree Plantation at Indore Regional Purchase and Stores Unit

The Indore Regional Stores Unit of DPS at RRCAT has five sheds to store gas cylinders, oil, chemicals, etc. A tree plantation programme on the open areas around these sheds was held on September 11, 2018, in coordination with the Horticulture Cell of RRCAT. Considering the soil strata and purpose, about fifty saplings of Pipal, Arjuna, Neem, and Badam were planted by the IRPSU staff members.
